CATEGORY 3: This is a Category 3 Public Meeting: Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues. No classified, proprietary, or protected information will be discussed.

The NRC's Policy Statement, "Enhancing Public Participation in NRC Meetings," effective May 28, 2002, applies to this meeting. The policy statement may be found on the NRC Web site, www.nrc.gov, and contains information regarding visitors and security.

Pre-registration: Seating may be limited and will be available on a first-come basis. Inform the NRC's meeting contact of your intention to attend by October 31, 2013. This step will ensure that sufficient copies of meeting materials are available.

If you need a reasonable accommodation to participate in this meeting (e.g., a translator, handicapped accessibility) or need this meeting notice, the transcript, or other information from the meeting in another format (e.g. Braille, large print, a language other than English), please notify the NRC's meeting contact listed on this meeting notice or call the NRC's toll-free number, 1-800-368-5642, and ask the operator to be connected to the meeting contact, Tim Reed. Determinations on requests for reasonable accommodations will be made on a case-by-case basis.

Teleconferencing: Interested members of the public unable to attend the meeting may participate by telephone via a toll-free teleconference. For additional details, please call the NRC meeting contact listed on this meeting notice or call the NRC's toll-free number, 1-800-368-5642, and ask the operator to be connected to the meeting contact, Tim Reed. Those interested in participating in this meeting by teleconference should call or e-mail the meeting contact as soon as possible, but no later than October 31, 2013.

Web conferencing: Interested members of the public who are unable to attend the meeting may participate remotely on the internet and via a toll-free audio teleconference bridge-line. For additional details, please call the NRC meeting contact listed on this meeting notice or call the NRC's toll-free number, 1-800-368-5642, and ask the operator to be connected to the meeting contact, Tim Reed. Those interested in participating in this meeting by Web conference should call or e-mail the meeting contact as soon as possible, but no later than October 31, 2013.

Because meetings are sometimes canceled or rescheduled as a result of unforeseen circumstances such as severe weather, confirm the meeting schedule with the meeting contact.

PARTICIPANTS: NRC staff, interested stakeholders, and members of the public. Participants from the NRC include members of the NRC's CER and Risk Prioritization Initiative (RPI) Working Groups. Other participants will likely include the Nuclear Energy Institute (NEI), other industry representatives, and members of the public.
