RN: Action taken per RFP No. ADM-99-144 dtd 4/19/00 requesting to add additional funding for emergency elevator repairs performed by Schindler Elevator due to recent vandalism to the telephone doors in the elevators. The RFP also certified FY 2000 funds in the amount of \$3,912 to cover labor cost to repair the damage to the telephone doors.

The proposed hourly labor rate of \$115.05 is the current hourly rate paid to a Schindler elevator mechanic for routine and emergency service calls. In addition, this hourly rate is lower than the hourly rate of \$150.65 established in the contract for additional on-site elevator mechanic support outside the basic services. Refer to section B.4, Pricing for Additional On-site Elevator Mechanic Support.

The PO determined the proposed number of hours and the hourly rate to be fair and reasonable.
