**UNITED STATES OF AMERICA
NUCLEAR REGULATORY COMMISSION**

BEFORE THE ATOMIC SAFETY LICENSING BOARD

IN THE MATTER OF:	:	DOCKET NO. 72-22
PRIVATE FUEL STORAGE, LLC,	:	TAC NO. L22462
Applicant.	:	ASLBP No. 97-732-02-ISFSI

SUPPLEMENTAL PETITION TO INTERVENE

The Skull Valley Band of Goshutes, hereinafter, the "Band" by and through their attorney, Danny Quintana, hereby submit this, Supplemental Petition to the Nuclear Regulatory Commission, ("the Commission"), for leave to intervene in support of Private

Fuel Storage, LLC in accordance with 10 CFR 2.714(b), the Band hereby submits the following contentions:

The License Application for the Private Fuel Storage Facility filed by Private Fuel Storage, LLC is meritorious and should be granted.

As stated by the Atomic Safety and Licensing Appeal Board in Nuclear Engineering Co., Inc. (Sheffield, Illinois, Low-Level Radioactive Waste Disposal Site), ALAB-473, 7 N.R.C. 737, 743 n.5 (1978), such a contention is all that need be asserted in the case of a petitioner, such as the Band, who supports a license application. As set forth by the Band in its "Verified Petition For Leave to Intervene," the Band fully supports the Private Fuel Storage Facility and is greatly interested and affected by the success, or lack thereof, of the license application and siting of the proposed facility. The Band's intervention is necessary to protect its interests in the success of the license application which is meritorious and should be granted.

The basis for the Band's contention, 10 CFR 2.714(b)(2)(I), is the License Application itself which sets forth the information necessary for the granting of the license. The facts on which the Band intends to rely in support of its contention, 10 CFR 2.714(b)(2)(ii), are set forth in the License Application. Being fully supportive of the License Application, the Band has no dispute with the applicant, Private Fuel Storage LLC. The Band, however, has genuine disputes of law and fact, 10 CFR

2.714(b)(2)(iii), with petitioners allowed to intervene in opposition to the Private Fuel Storage Facility.

Dated this 24th day of November, 1997.
