U.S. Nuclear Regulatory Commission
Washington, D.C. 20555-0001

**Re: In the Matter of Private Fuel Storage, L.L.C.,
Docket No. 72-22, ASLBP No. 97-732-02-ISFSI**

To the Secretary:

Enclosed please find the figure entitled, "Comparative Single-Engine Fighter/Attack Class A Flight Mishap Rates," which was to have been included in the report of James L. Cole, Jr., "Risk Assessment of Credible Aircraft or Missile Accidents Impacting Private Fuel Storage LLC Independent Spent Fuel Storage Facility," Exhibit 2 to the Declaration James L. Cole, Jr., filed with Private Fuel Storage's motion for summary disposition of Contention Utah K/Confederated Tribes B. The figure is to be inserted in the report after page 13. The figure was inadvertently omitted from the report when it was filed.

Sincerely,

Paul Gaukler

Enclosure
