Subject: Docket No. 50-482: Status of Licensed Operator

Gentlemen:

This letter notifies the Nuclear Regulatory Commission (NRC) of a change in the status of a licensed individual at Wolf Creek Generating Station (WCGS). This notification is being made in accordance with 10 CFR 50.74.

The following individual holds a license at WCGS, but has been permanently reassigned from a position for which WCGS has certified the need for a Reactor Operator License under 10 CFR 55.31(a)(3). This individual no longer requires a license for performance of his duties, and renewal of this license will not be requested.

Individual's Name	Individual's Docket No.	Individual's License No.
