REF: TXX-00032, Transmittal of Second-Half 1999 Fitness-For-Duty  
Program Performance Data, dated January 31, 2000, from C. L. Terry to  
NRC

Gentlemen:

Attached is supplemental data to the CPSES Fitness-For-Duty Program Performance Data report for the six-month period of July 1, 1999 through December 31, 1999. The data is required by 10CFR26.71(d). The data in question appears on the "Breakdown of Confirmed Positive Tests for Specific Substances page". The data being corrected is for column #7, 'Refusal to Test'. The previous data value reported was 0 (zero) and the corrected value is 1 (one). The error was caused by an electronic computational problem, which has been corrected.

If there are any questions, please contact Mr. James Brown at (817) 897-8912.
