RE: Nine Mile Point Unit 2
Docket No. 50-410
NPF-69

Subject: Proprietary Information (FOIA-2000-0206)

Gentlemen:

By letter dated June 7, 2000, Niagara Mohawk Power Corporation (NMPC) responded to an NRC letter dated May 16, 2000, regarding the subject Freedom of Information Act (FOIA) request. NMPC's letter stated that the NRC request was being forwarded to the vendor of the Nine Mile Point Unit 2 Offgas System and that the NRC would be notified upon receipt of the vendor's response.

NMPC now understands that the FOIA request has been withdrawn. Based on this understanding, NMPC is no longer attempting to obtain the requested information.

Very truly yours,

A handwritten signature in black ink, appearing to read "Richard B. Abbott".

Richard B. Abbott
Vice President Nuclear Engineering
