Re: Private Fuel Storage – Docket No. 72-22 – ASLBP No. 97-732-02

To the Secretary of the Commission:

Enclosed is the revised testimony of Hanson Pickerl on property insurance that was inadvertently omitted from PFS's submittal of its revised pre-filed testimony delivered to the NRC yesterday. As explained in the cover letter accompanying yesterday's submittal, this testimony is being filed as a proprietary document because it contains sensitive, confidential commercial and financial information. Accordingly, PFS requests that the NRC treat this testimony as confidential under 10 C.F.R. § 2.790, for the reasons set forth in the affidavit of John D. Parkyn dated May 15, 2000, which was filed in conjunction with PFS's original testimony on May 15, 2000. Accordingly, this document is clearly marked as proprietary.

If you have any questions, please contact me at (202) 663-8304.

Sincerely,

Paul A. Gaukler
