Re: In the Matter of Private Fuel Storage, LLC, Docket 72-22

Dear Mr. Julian;

Enclosed are the following:

1. The original signed declaration of Dr. Marvin Resnikoff, dated May 24, 2000, the faxed version of which was filed in support of State of Utah's Motion to Compel Applicant to Produce Supplemental Discovery Documents Regarding Utah Contention H and Request for Expedited Consideration, dated May 24, 2000; and
2. The original signed declaration of Michael F. Sheehan, Ph.D., dated May 25, 2000, the faxed version of which was filed in support of State of Utah's Motion to Compel Applicant to Produce Documents Relied on in Witnesses' Pre-filed Testimony or in The Alternative Motion to Strike Testimony, dated May 25, 2000.

The Motions which these Declarations accompanied were filed as documents that may contain proprietary information, and thus, we requested that they be treated as confidential. These requests, though they did not specifically so state, intended to include the Declarations as well as the exhibits which supported the Motions. Accordingly, these Declarations should also be treated as potentially containing proprietary information, though they are not so marked.

Please contact me with any questions at (801) 366-0286. Thank you.

Sincerely,

  
Denise Chancellor  
Assistant Attorney General
