To: Chairman Richard Meserve
U.S. Nuclear Regulatory Commission

Rockville, MD 20852-2738

Dear NRC Chairman Richard Meserve:

The formal hearing process that is used in all other NRC plant licensings should be the same for the proposed repository at Yucca Mountain. Changing to an informal process:

(1) gives the appearance that the NRC is doing favors for the DOE, and (2) an informal process will seriously erode the public confidence in the licensing process and the ability of the NRC to regulate.

Sincerely,

A handwritten signature in black ink, appearing to be "C. Nicholas Pereos".
