To whom it may concern:

After listening to our news in Utah last evening I wanted to add my NO to nuclear waste in Utah. We already have dugway and we do not, I repeat DO NOT want a nuclear waste dump in Utah. We may be a desert, but we are not stupid.

How many times, in the past, have the citizens of Utah, New Mexico and Arizona heard the words "This is perfectly harmless, it will be good for the community." BAH HUMBUG.

Now we are hearing about ships that were dumped in the Baltic Sea. Who ever heard of that from the Government. We never do unless a distaster is forthcoming. Well.....we do not need nor want this mess in our yard.

Thanks for listening....Darlene Robbins, Liberty, UT
