SUBJECT: RESPONSE TO YOUR SEPTEMBER 13, 2000, LETTER

Dear Mr. Peterson:

I am responding to your September 13, 2000, letter to Mark S. Delligatti of my staff. Since P&A Engineers does not have a current license application before the U.S. Nuclear Regulatory Commission (NRC) and the NRC staff is not currently reviewing any application for the "Pigeon Spur Fuel Storage Facility," it is my understanding that your September 13, 2000, letter was meant to confirm your submittal of comments related to NUREG-1714, "Draft Environmental Impact Statement for the Construction and Operation of an Independent Spent Fuel Storage Installation on the Reservation of the Skull Valley Band of Goshute Indians and the Related Transportation Facility in Tooele County, Utah." If this is not the case, please inform me.

Sincerely,
/S/
