**NAME OF PERSON CONTACTED:**

Brad Fisher, Operations Manager

**ORGANIZATION:**

Meprolight

**TIME:**

8:00 am

**DATE:**

**SUBJECT:**

Addition of a second distributor to SSD registration certificates

**SUMMARY:**

I called Mr. Fisher in response to Meprolight's application dated June 27, 2000. I explained to him in response to his questions in the cover letter:

1. NRC cannot list two distributors in one registration. The solution would be to issue a new registration to Scopus Light USA, Inc. This solution was acceptable to him.
2. I informed him that I have cleared with the Fees Collection Branch (Sandra Kimberley) that there is no need for an application fee over that what he has already sent to the NRC because this is an administrative change.
3. I explained to him that Scopus Light will receive annual fee billings in the future. He said that this is also acceptable to him. They are a small business and he said he knows what the Fees Collection Branch needs to document the small business status.

**ACTION REQUIRED:**

NRC to proceed with the safety evaluation of the application. NRC is to assign a new vendor number to Scopus Light USA, Inc.
