Mr. Fisher,

I have reviewed your response and it is acceptable. For the record, you stated in the response to question 3 that a corrected page was enclosed and would be sent by mail as well. I did not receive a correct page S-2 either by fax, or email. If it is included in the mailed version that is fine. The response you provided that the paragraph was to say "sights" vice "watches and altimeters" is sufficient for my evaluation.
