MEMORANDUM TO: William D. Travers
Executive Director for Operations

FROM: Edward T. Baker III /RA/
Agency Allegation Advisor

SUBJECT: STATUS OF ALLEGATION PROGRAM - FISCAL YEAR 2000 ANNUAL
REPORT

In SECY-94-089, "RESPONSE TO THE REPORT OF THE REVIEW TEAM FOR REASSESSMENT OF THE NRC'S PROGRAM FOR PROTECTING ALLEGERS AGAINST RETALIATION," the staff committed to have the Agency Allegation Advisor provide an independent annual report to the Executive Director for Operations that assesses the conduct of the allegation program in each office and region. A copy of the annual report for Fiscal Year 2000 is attached for your information. The staff intends to provide copies to the Commission and place the report on the ADAMS public library ten days from the date it is forwarded to you, unless you direct otherwise.

The assessment of the allegation program is in the section on audit results. The report also provides a status on completing recommendations for improving the allegation program, a review of allegation data for adverse trends for reactor and materials licensees and contractors, and a review of the resources expended on follow up of technical allegations. Because the Office of Investigations prepares an annual report covering the follow up of allegations involving wrongdoing, this annual report does not specifically address activities concerning those allegations.
