University of Florida Training Reactor: Facility License R-56, Docket No. 50-83

Enclosed is our most recent quarterly log of security events for the University of Florida Training Reactor (UFTR) R-56 License at the University of Florida. There is one entry for this quarter; the last submittal was in July 2000. This entry is for an event involving leaving a key out for a piece of equipment at the reactor facility which was evaluated as a minor loss of effectiveness that was properly compensated. Further details are available with the enclosed log.

Thank you for your consideration. If further information is needed, please let me know.

Sincerely,

William G. Vernetson
Director of Nuclear Facilities
