**CORRECTION TO APPLICANT'S MOTION FOR  
SUMMARY DISPOSITION OF UTAH CONTENTION K**

Applicant Private Fuel Storage, L.L.C. ("Applicant" or "PFS") hereby files this correction to "Applicant's Motion for Summary Disposition of Utah Contention K and Confederated Tribes Contention B," dated Saturday, December 30, 2000. A table that Applicant had intended to include in "Risk Assessment of Cruise Missile Accidents Impacting Private Fuel Storage, LLC Independent Spent Fuel Storage Installation," which is Exhibit 3 to the Declaration of George Wagner and David Girman, was inadvertently omitted from the final version of the Exhibit. Specifically, the table at the end of this correction should be added to Exhibit 3 after page 32.

In addition, in the first paragraph on page 32 of Exhibit 3, the number "13" should be changed to "12;" the number "Nine" should be changed to "Seven;" the parenthetical expression "(one was of unknown type)" should be added after "(ACM, AGM 129);" the number "Thirteen" should be changed to "Twelve;" and the number "16%" should be changed to "15%." In the second paragraph, the distance "115 miles" should be changed to "90 miles."

Also, in the Declaration of George Wagner and David Girman, Paragraph 24, the number "13" should be changed to "12;" the number "Nine" should be changed to

“Seven;” the parenthetical expression “(one was of unknown type)” should be added after “(ACM);” and the number “16 percent” should be changed to “15 percent.” In Paragraph 25, the distance “115 miles” should be changed to “90 miles.”

Counsel for Applicant apologizes for any confusion created by this error.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "D. Sean Barnett", is written over a horizontal line.
