Mr. Mark Delligatti, Project Manager  
Office of Nuclear Material Safeguards  
United States Nuclear Regulatory Commission  
Washington, DC 20555

Dear Mr. Delligatti:

We would appreciate being on your mailing list to receive notices of public meetings and other actions regarding the temporary storage facility for spent commercial nuclear fuel, proposed by Private Fuel Storage and the Goshute Indian tribe of Utah.

Thankyou.

Sincerely yours,

*John Tanner*
