Subject: Requested change to Indemnity Agreement No. E-25 (Amendment 15)

Sirs:

The Nuclear Engineering Teaching Laboratory at The University of Texas at Austin respectfully requests a change to Indemnity Agreement E-25 dated November 20, 1962, as amended. A change is necessary because the existing agreement has the facility location in error. The name of the Balcones Research Center has been changed to the J. J. Pickle Research Campus. In addition, a typographical error resulted in the incorrect street address of "101000 Burnet Road" vice "10100 Burnet Road."

We request Item 3 of the Attachment to the indemnity agreement be deleted in its entirety and the following substituted therefore:

Item 3 – Location

For license R-129, the location is as follows: The Nuclear Engineering Teaching Laboratory (Building 159) at the J. J. Pickle Research Campus located at 10100 Burnet Road in Austin, Texas.

This will explicitly define the area covered by the indemnity agreement. Please contact me at 512-232-5373 if you require additional information.

Sincerely,

Sean O'Kelly
Associate Director
