COMMITMENT RESOLUTION LETTER #16
DOCKET NO. 72-22 / TAC NO. L22462
PRIVATE FUEL STORAGE FACILITY
PRIVATE FUEL STORAGE L.L.C.

In accordance with our August 6, 1999 telephone call, Private Fuel Storage (PFS) submits the following resolution to NRC comments regarding the Private Fuel Storage Facility (PFSF) License Amendment scheduled for submittal August 20, 1999:

NRC Comments

1. PFS should identify in the Safety Analysis Report (SAR) what organization is responsible for construction as required by NUREG-1567.
2. PFS should include design details and analysis results for the seismic struts that are utilized during the canister transfer operation. An analysis should also be provided evaluating the loads on the canister transfer cell walls from these struts.
3. PFS should discuss possible uplift resulting from a seismic event for the overhead bridge crane and semi-gantry crane in the Canister Transfer Building.

PFS Response

PFS will incorporate the above requested information into the License Amendment and calculation submittal scheduled for August 20, 1999.

If you have any questions regarding this response, please contact me at 303-741-7009.
