Subject: Concurrence on Part 31 Commission Paper/rule

Catherine,

Subject to the changes I provided you earlier today, the OCFO concurs in the subject Commission paper and the accompanying Federal Register Notice. Carol Abbott, OCFO/DPBA/PAB, has also reviewed it and finds that the current budget does include resources to implement the rule as written, as is stated in the RESOURCES Section of the Commission paper.

CC: Carol Abbott, dbd, Jesse Funches, jxt, pjr
