SUBJECT: REQUEST FOR DOCUMENTS
(NRC Investigation Report No. 4-1999-068)

Dear Mr. Batten:

This refers to your letter to Mr. Bill Borchardt dated January 23, 2001, in which you requested a copy of statements you made to the NRC in conjunction with the subject investigation. In accordance with the NRC's policies and practices, any statements or documents that are part of the subject investigation report will not be released to licensees, its contractors, or to the public until after the NRC makes its enforcement decisions. An exception is made for individuals who may be subject to individual enforcement action and who are preparing for a predecisional enforcement conference (of which they are the subject). Since you are not the subject of a predecisional enforcement conference, your request is denied.

If you have any questions about this letter, you may contact Mr. Michael Vasquez of my staff at (817) 860-8121.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter, with your home address removed, will be made available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/NRC/ADAMS/index.html> (the Public Electronic Reading Room).

Sincerely,

/RA/
