

NUCLEAR REGULATORY COMMISSION

FULL WRITTEN EXPLANATION

Approval

The Nuclear Regulatory Commission voted to close the following meeting:

Monday, February 26, 2001

10:15 a.m. Discussion of Intragovernmental Issues (Closed—Ex. 9)

The Commission voted 5-0 on February 23, 2001 to close this discussion which would be likely to significantly frustrate implementation of proposed Commission action.

Attendance

- Commissioners and members of their staffs
- Representatives of Commission Staff Offices
- Executive Director for Operations and members of his staff
