TRAINING: No special training requirements have been identified for any documents issued with this change notice.

REMARKS: TI 1220/001 (Inspection of Agreement State Licensees Operating Under 10 CFR 150.20) is issued to provide a pilot program that modifies the existing inspection frequencies and requirements in Inspection Manual Chapter 1220, Appendix III, "Inspection of Agreement State Licensees," of Agreement State licensees conducting licensed activities in non-Agreement States, areas of exclusive Federal jurisdiction, and offshore waters, under the general license provided in 10 CFR 150.20. The intent of the pilot program is to make reciprocity inspections more risk-informed and efficient, by inspecting the most safety-significant activities.
