

Ed Lyman:

4/7/99

BNL spent full past sales from last year  
had mistake in MACRS calc of cancer fatalities,

(100,000 cancer fatalities?)

due to a mistake in the code.

The PM issued to Ed Lyman a corrected  
version of the code.

"Loose ends," - Lyman error  
- isotope list

4/7/99 @ 11:30

I mentioned this to John Randall.

Follow up
