

4/14/99

Meeting FE and Vanna:

FE: DF for building  
DF for fire hose  
FP assumptions

first fire  
→ back fire

Temperature to consequences  
Fuel rate progression

Quick + Dirty

vs.

More detailed

Vanna:   
• available info → where we are  
• identify other resources

FE: BNL - Building DF

Involvement by operators

How is the conversation in our case

Jason meeting Glenn Kelly
