

4/14/99

Ray Carroll called me back at 10:00 a.m.
He said:

• He would check up Azarov, make a couple of calls, and get back to me.

• If he is unsuccessful in this regard,
I can leave a voice mail msg for Travis
who will call me back Monday [4/19/99].

4/19/99:

I spoke w/ R. Travis. He said he spoke w/
Rick Davis.

I spoke w/ J. O'Brien. ① He said

Rick Davis told him (J. O'Brien) on Friday, 4/16/99, that
he has been unable to find the MACCS input so
far.

② He (J. O'Brien) agreed to take the
lead on getting the MACCS input decks from
Rick Davis.
