

## NUCLEAR REGULATORY COMMISSION

### FULL WRITTEN EXPLANATION

#### Approval

The Nuclear Regulatory Commission voted to close the following meeting:

Monday, March 12, 2001

2:30 p.m.          Discussion of Intragovernmental Issues (Closed–Ex. 9)

The Commission voted 5-0 on March 12, 2001 to close this discussion which would be likely to significantly frustrate implementation of proposed Commission action.

#### Attendance

- Commissioners and members of their staffs
- Representatives of Commission Staff Offices
- Executive Director for Operations and members of his staff
