1. THE UNOBSERVED: MODERN THEORY THAT:

- a. All information in this report is true and complete.
- b. I have read and understand the provision of the general license to CTR, 180.20 regarding the restrictions on this form, and I understand that I am required to comply with these provisions as to all hydroponic, source, or special nuclear material which I possess and use in non-agricultural sites or entities within the general license for which this report is filed with the U.S. Nuclear Regulatory Commission.
- c. I understand that activities, including storage, conducted in non-agricultural sites under general license to CTR, 180.20 are limited to a total of 160 days in calendar year, with the exception of seed conducted in off-shore waters, which is authorized for an unlimited period of time in the calendar year.
- d. I understand that I may be inspected by AEC or its agents and/or its licensees from the office address for activities performed in non-agricultural sites or off-shore waters.
