Dear Mr. Powell:

Pursuant to the provisions of the Freedom of Information Act, American Lawyer Media requests a copy of the following records:

- 1) the NRC's legislative accomplishments annual reports for the past 10 (ten) years.
- 2) any NRC legislative accomplishments quarterly report(s) for the past 2 (two) years.

A legislative accomplishments annual report is any record that describes the work and tasks performed by the office within the agency that handles Congressional or legislative liaison, congressional relations, legislative policy analysis, or other legislative communications activities. You may call these reports by different names, but we would like to receive the records no matter what they are called in your agency.

American Lawyer Media publishes more than 25 national and regional legal and business publications including The National Law Journal, The American Lawyer, and Legal Times. This request should be processed within the fee category: "Representatives of the News Media" for fee assessment purposes.

We also request a full or partial fee waiver because this information will be used to inform the public of the activities of the agency, and will substantially inform the public of the operations of the agency. In the event you decide to deny our fee waiver request, we agree to pay up to \$30 for costs associated with this request. If you have any questions, you may call me at 212-313-9067.
