Ref: Route Approval

Dear Ms. Bennington:

We have an approved rail route and alternate to be used for transport of spent fuel from the Naval Weapons Station, Charleston, SC to the DOE Savannah River Site, Aiken, SC which will expire on September 17, 2000. We have plans to utilize this route for several shipments in the future beginning We ask that you please extend the expiration of this route for a minimum of two years or longer.

Please let us know if you require additional information.

Regards,

Franchone Oshinowo
Vice President, Spent Fuel Program
