

5/17/00

I called J. Gregory around 12:15 p.m.

She said:

She has produced 300 census files.

She will run files 300 times and expects to ~~have~~ have results today.

I asked for distributions of mean results for

- 1) 0-100 miles early fox
- 2) 0-500 miles early fox
- 3) 0-100 miles can fox
- 4) 0-500 miles can fox
- 5) 0-100 miles soc dose
- 6) 0-500 miles soc dose

6/19 I
