SFP

Discussion w/ R Palla, J Flack:

R Palla: ① send us upper bound stuff now, because you got that done.

② not going to publish it; only for internal consumption to get us warmed up

③ hard to misuse at this point

J Schaperow: How is Kelly doing on frequency stuff?

R Palla: Largely qualitative arguments.

Discussion w/ J Flack:

J Schaperow: I can do the Calcs Monday and give the results to you (J Flack) Tuesday.

J Flack: OK.
