System Eng.

John Ferguson Day phone showed
system was present.

Doesn't recall Stuart 18/7/22
write PERS unless Paul had related

Would have recalled Assistant
Not to write PERS when PL
was contacting to make.

Always felt free to write PERS
related to anything.

No one ever voiced concern to
Sam that they would free to write
for

Doesn't recall writing PERS during Time period
Murray's absence is a fairly minor

PERS have volunteered to get Phil T. Murray
to give @ Murray.

Kingseppel
Pg 2
Recalls Management saying ^{unusually} don't be sensitive
try to create more by mtrg issues
with end of simt up coming
up

Wade still be evaluate AIC cause
New Power To ID evaluation

No Note in Ferguson's Plan
Want no PERS

PERS more evaluate issues &
prices & impact on system
