

6/16

Doesn't Recall writing one at the time.

Many Mr. Hare been an issue, but  
many always tie to right problems

No one helped writing PER problem  
to her

Would have recalled such a statement  
He would have been an issue

Always felt comfortable writing PERs

Doesn't Recall being told not to  
write PERs unless sure last

Day Player shows was present for  
meeting.
