StreetName: azadi

City: tehran

Country: Iran

Comments: I'd like to inform you that I'm a postgraduate student working on Health Physic field at Sharif University of Technology.

I'm looking for radioactive contamination standards and decontamination recommendation of personnel, equipment, laboratories, food, environment and other radioactively contaminated things.

Would you please send me any related documents to my studies?

Your efforts are highly appreciated.

best regards

Ali Zehab.
