Mr. Timothy J. McGinty, Acting Chief
Licensing Section
Spent Fuel Project Office
Office of Nuclear Material Safety and Safeguards
U. S. Nuclear Regulatory Commission
Washington, DC 20555-0001

Subject: Transnuclear Model No. TN-9 Packaging
Certificate of Compliance No. 9016
Request for Renewal

Reference: Certificate of Compliance No. 9016, Revision 11 for the Model No. TN-9
Shipping Package, dated May 14, 1996.

Dear Mr. McGinty:

Transnuclear, Inc. requests renewal of Certificate of Compliance No. 9016, Rev 11. The current Certificate expires on May 31, 2001. Transnuclear has reviewed the current SAR and finds that it is complete and current.

If you have any questions, please call me.

Sincerely,

Michael Mason
Chief Engineer
