Dear Ms. Kime:

Attached is a copy of the corrected page 6 to the recently issued Sealed Source and Device Registration Certificate No. OH-1048-D-102-S issued by the State of Ohio to SMV America for the VCR Transmission Attenuation Correction Source Assembly. Please replace the original page 6 with this document in the National SS&D Registry.

Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "R. E. Owen", is written over a horizontal line.
