Dear Sir or Madam:

RE: Quality Management Program (Midwest Health Center license renewal)

Please consider this a letter of negative declaration with regard to the Quality Management Program. We confirm that all radioactive material covered under the QMP (i.e., iodine 131 or iodine 125 > 30 uCi, therapeutic use of radiopharmaceuticals, brachytherapy, or gamma stereotactic radiosurgery) will not be used at this facility.

Thank you for your cooperation on this matter.

Sincerely,

Dr. Mark Saffer, President
Midwest Health Center
