**Subject:** Commission Meeting On Decommissioning

The commission meeting on Decommissioning to set for Nov 8, from 1:30 to 3:30.

A prebrief with the EDO is set for 10/27 at 3:30.  
A prebrief with the Chairman is set for 11/5 at 3:00.

The presentation by the staff will be about 80% on the efforts of the TWG, and 20% on rulemaking and restructuring of the regulations. NMSS will be represented at the table by John Greeves, however the focus of the presentation is on the above two issues.

Paul Blanch, Ray Shadis, David Stewart-Smith, Mike Meisner, and Lynnette Hendricks are being invited as the public panel.

There is an ACRS meeting on the decommissioning risk issues on 11/5. DSSA is the lead on this.  
Projects will be in the audience.

Projects will get on Sam's calendar for a pre-brief, hopefully for late Tuesday or early Wednesday next week.

The slides and all other arrangements for the commissioning meeting should be coordinated thru projects (Mike Masnik).

Call me if you have any questions.

Stu Richards
