What IT to not be exploded!

Why add outside injection if  $LE \geq F$  w/o  
recog. it is motivation - Tech argument that  
recog. is part of recovery one never fail  
But consider injection

Conservative - { ① will not to give away to be recoverable  
② industry continues to it

Don't ~~take~~ believe in any more

Wm. D. Wood

excellent strategy for pricing and  
 but for wide market, credit given for features such as  
 remote injection, in addition staff  
 has not yet fully analyzed the  
 D in Cong order in DEPT  
 Should like to be convenient  
 V.S. 2 in price are = 01 £.
