Subject: NEI Call on 4/28

Mike,

As we discussed last week, there is a conference call with NEI tentatively scheduled for Wednesday, April 28th at 3:00pm. In our interest to consider comments from NEI, we requested a conference call with them to solicit information pertaining to our Working Group effort. We faxed them an expanded version of slide #13 (Solicitation for Additional Information) from the 4/13/99 meeting slides. NEI's first reaction was that all of the information was readily available in NUREG-1353. On the 4/28/99 call, they will want to know the scope of what we are doing from a PRA standpoint and why. Also, Biff Bradley (NEI PRA person) will probably be on the call to ask some questions, too.

We need at least one of the SPSB team members on the call to field their PRA questions, and to request any information from NEI that would benefit our Working Group effort. Dick Dudley is in the process of confirming the time and date of the call. I will let you know as soon as I find out.

Thanks,
Vonna
