Necessary caveats?

Balance written word.

1. Issue didn't go away / can't dismiss - Is there fire a problem - Yes
2. Have some ~~concerns~~ / Have to look at it. concerns bad
3. Work in progress

Take long view - draft report.

Separate pub #s + concerns #s.
→ What message do we want to convey?
~~draft~~

* No safety concerns ~~apparently~~ apparently exist.
