# Pre-workshop Meeting

① What do we need to discuss at the Monday meeting?

A. Tell NEI/industry we only want to discuss ~~fixes~~ & ~~it~~

~~we~~ our concerns

Me → B. Discuss ~~that~~ what I did in performing the analysis  
we don't debate

i. assumptions

ii human error analysis

iii walk through responses

iv. What are our concerns driven by for each response

2 hrs incl. questions

C. Output of technical criteria to allow lower  
technical concerns w/in the context of  
10CFR50.12
