MEMORANDUM TO:

Larry W. Garner
Senior Project Engineer
Division of Reactor Projects

FROM:

Luis A. Reyes
Regional Administrator

SUBJECT:

DIFFERING PROFESSIONAL VIEW - V. C. SUMMER REPORT
WITH A PRELIMINARY DETERMINED YELLOW FINDING

I have reviewed the Differing Professional View (DPV) as expressed in your December 7, 2000, memorandum to me. Based on this review, I have determined that you have satisfied the criteria for a DPV as described in Management Directive 10.159 and Regional Office Instruction No. 2304. Therefore, I plan to convene a DPV Ad Hoc Review Panel to review the DPV.

In order to convene the Panel, however, you need to provide me with a list of names you recommend for as a member on the Panel. I will then have the Panel Chairperson select the individual and convene the Panel. Please provide me with the list of recommended individuals by December 13, 2000.
