

4/23

It is suggested that DML be approved of the above.

ITEM # 33

Some Restrictive Spacing

Paul R. Nelson

7. Breakdown of the office, speaks to M.D.P. Sheldon, authorized man make the subject license, that the Norton Company facilities at the above address are now owned and operated by the Norton Corporation. Sheldon said he would notify DML accordingly. He also said that no material has ever been acquired or used under the subject license but that it is desired that a license remain in force to cover future contingencies.
