Attention: Mr. W. H. Keller

Gentlemen:

Enclosed is Amendment Number 2 to byproduct material license 22-1465-J extending the expiration date to February 29, 1964.

Because Mr. J. Rogers has had no training and experience in the use of radiostopes, we are unable to include his name on the license. Note, however, that Condition 10 of the license allows the use of radiostopes by Mr. Rogers under the supervision of the authorized users. At such time that Mr. Rogers acquires suitable training and experience, application may be submitted for the addition of his name to the license.

Sincerely yours,

Enclosure  
1. Amendment No. 2  
2. Form ABC-513
