

UNITED STATES GOVERNMENT

Memorandum

TO : File
THRU: P.R. Nelson, Senior Radiation Specialist DATE: January 4, 1966
FROM : W.R. Lorenz, Radiation Specialist
SUBJECT: NRC EQUIPMENT CORP., - LIC. NO. 20-6439-1

On 12/28/65 the subject licensee was contacted regarding the status of materials authorized under their license. Mr. A.J. Gallagher, Foreman, reported that no material was on hand or received under the subject license.

It is suggested that the subject license be removed from schedule and reassigned for inspection in one year.

Since this license is not inspectable.

Please change due date to 1/67
