Dr. Manson Benedict  
Scientific Director  
National Research Corporation  
70 Memorial Drive  
Cambridge 42, Massachusetts

Dear Manson:

I have forwarded a copy of your letter of April 26 to Mr. Lyall Johnson, Chief of our Licensing Branch in the Division of Construction and Supply, and asked him to do whatever is necessary to supply you with the requested license.

I will be very interested to hear of any results you may obtain in your work on thorium.

Sincerely yours,

D. W. Lillie, Chief  
Metallurgy & Materials Branch  
Division of Research
