

D. W. Lillie, Chief, Metallurgy and Materials
Branch, Division of Research

May 7, 1954

Charles T. Edwards, Acting Chief, Licensing Controls Branch,
Division of Construction and Supply

THORIUM FOR NATIONAL RESEARCH CORPORATION

SYMBOL: CSIC:CTE

In accordance with your memorandum of May 5, 1954, we have
this date issued an AEC source material license to the
National Research Corporation, Cambridge, Massachusetts,
authorizing them to receive 20 pounds of thorium compounds
for use in their experimental studies.
